1. My Kingdom comes to an end not; but a new beginning, a new beginning in Me established heretofore, beforehand, before time began, before all knew, all knew. I love you. Oh, so remembered; oh, in transition; oh, so planned, thought out, crafted, tended to, written, perceived, planted, interspersed, inter-spaced, end of space, end of time, revealing Me, offering Me, receiving Me and some rejecting Me. I love you and I give such power. I give the power of choice; the power of will; the power of surrender; the power of increase and decrease and demarcation of kingdoms operating in, for, Me; with Me, by Me, to Me. All increases in Me as I come, I call, and I conquer. I come and I call and I conquer time and space; moveable forward, backward, and transition; yea, of only Me. See Me in all that I say and all that I keep saying; all that I keep giving; all that I keep yielding, wielding. I love you.
2. I give you Me. I give you power and glory, My authority already given. I have given you My power, My glory, My authority; walk in My authority, My power, My glory. See Me in the image that you are. See Me in Me. See Me in what I have done for you. See Me in what you are. See Me in what I am. **See Me, us, as altogether one; one blood, one family, one bread, one body broken for you, broken for each other; a necessity of being broken for each other coming through Me, coming through you to each other**; My broken-ness/your broken-ness serving Me, serving love to each other, in kindness, lifting, elevating, peace-ing each other, peace-ing each other--I love you--increasing peace and peace of Me. I love you. I give you Me. I give you Me and I give you all of Me, not just parts, not just piece-meal; I give you Me, all of Me you are.
3. See Me in what I have said and what I am doing, what I give day after day as you yield your mouth to Me, your members all, your mind/My mind, My Mine coming forth from your mind totally surrendered to Me. I love you and I give you Me. I give you grasp-ability of only Me. I give you grass and lands, trees, bushes, and forests; and buildings arise out of so many places now, plans of only Me.
4. See Me coming forth in tunics, in Tunisian's and in tiny toddlers; yea, even Me across My globe; My lands many, unrestricted, un-delineated by Me; your maps in Me, your maps yet to come forth; making Me whole to so many others. I love you.
5. Wholeness see, spirit-ly becoming, piercing the darkness, every darkness. I love you. I give you Me. I give you anchors, anchors, those who are anchored, anchored in Me at My knee, time with Me spent, years in preparation for moments now coming forth, moments now coming forth to deliver, to result in the result in Me--I love you--coming forth, not piece-meal and particle'd out, but coming forth in wholeness of only Me. I love you and I give you Me.

6. My word comes forth torrentially, My word comes forth now through My Mighty Many, through teams and networks, through constellations now that see themselves not as islands, but constellations advancing constellations and lifting the lowly, lifting the low and **bringing all into agreement with Me: one blood, one family, My bread, My body.** I love you.
7. Seek Me and eat My bread more. I love you. My wine flow to My body, My love.
8. My glowing grows and My glittering increases and My reflectors of only Me come forth in might and power and unison of only Me. I love you. I give you Me. I have given you My answer, I have given you My result. Go forth in Me and leadership be. I love you.
9. I give you net access eternally of only Me. See Me, see My satellites, see My systems, see My anchors, see My anchors which bring forth systems and satellites and constellations of only Me now.
10. Revert not back to the harvesting methods of old (1) nor traditional methods which have worked so poorly of communicating Me; and commune with Me, and commune with Me more. And commune with Me My constellations of networks and networks of anchors of constellations who are pier'd in Me; pier'd in Me and come forth with no reputation-seeking. I love you, and I give you Me.
11. I give you Me and I give you all of Me. I give you all of Me now, not later, today. Walk in Me in the all power that you know that I am, knowing that I am I Am and that I reside in you, that I am you, that you are Me, that you are My face and hands and that I love you, I love My body. I gave you Me, I am Me, you are Me. See Me and fuel that which you know to be true.
12. Forward march, entourage not; Me and only Me walking you, walking you with those that I bring to anchor, stabilize, support.
13. Increasingly the infrastructure now comes forth of your concern, My concern, My school, My body, My faculty, **My students who reside there, reside there, reside there.** I love you and I give you Me.
14. I reside in you and I am you and I love you and I give you Me. And I thank you for speaking My words and lifting My little ones, lifting My lambs, lifting My body, lifting the veil from their eyes of who they are and what I have given them, placed in them; and what I have authorized them to do, to be; walking in Me, seeing Me walking in My power and glory: creating, subduing, dominion-ing rather than cowering, showering, trying from the dust the dirt and the putrefaction which comes forth on words tainted in pulpits and podiums and places of not My freedom, not My liberty.
15. Thank you for lifting the veil from their eyes. Thank you for lifting the veil from their minds, the veil that never was, the veil that came, the veil that resides no more proprietarily but only in Me.
16. Revelation, particle accelerator ignites and explodes, transfiguration process of only Me, only in Me; only in Me for My drink-offering'd disciples, dead, who now resurrect in Me in wholeness and fullness and freedom, lifting My lambs, helping all to

know I am one blood, they are one blood, and all came through Me. My family, who at My table was, were, shared, ate and drank of Me so freely before the foundation. Foreknew, yes. I foreknew and you foreknew and I am you and you now come forth in the glory that I am. I love you.

17. Shrink not back from the timid who would seek to intimidate, nor the protrusions of the powerful, thought-powerful, look and try to make themselves powerful, kingdom of not Me. I love you and be not afraid of them. Shrink not back from the controlling constrictors, those I have spoken about time and time again, times past, time forward, time now, times yet again, times coming.

18. Oh, see Me and break, break away and ballistic be, in that which I now propel in My who-are-at-My-knee, My who bow, My who come in humility and value My word; who value My words enough to write them down; who value My words enough to speak them; who value My words enough to proclaim them as My words; **who value themselves in Me more than in the kingdom of the world.**

19. This world ends shattered, decimated, declared and decreed by My word. The word of My mouth coming forth, the power, glory, fire in My nostrils, fire in My hands, axis shaken, rotated cataclysmicly. See Me. Plates falling and rearranged. I love you.

20. A new beginning in Me, a new beginning in Me comes forth. **Fear not now My ending, for My ending does not end; My beginning comes forth and glows, grows in the Spirit of Righteousness, holiness, meekness, tenderness.**

21. They, Ted, they shall not see Me, they shall not see My face, they shall not wear My glory who come to Me in arrogance; who come to Me for power, who come to Me for profit, who come to Me for mammon, who take My lambs and lay them out before them and slaughter them for their own gain. I come and I curse them and I command them into outer darkness and they laugh not then. They seek, they scream, they cry out and they forfeit the glory that I had designed for them, written in My Book, enjoyed long ago, now into outer darkness fleed, flung, never to know My voice, My presence, My love again.

22. I love you and I am Me and I am the Righteous God, I am the God Most High and there is none other beside Me. And I am meek and lowly, a man acquainted with sorrow and grief, upon My back they laid many stripes, they cursed, they yelled, they spat upon Me, they gave Me gall, they pierced My side and My blood ran into the ground.

23. I love you and I love My body, My body who I gave My body for, who I gave My life for and who I now, I entrench; And I entangle no one with the affairs of this world but only Me and My affairs: My Father's business.

24. I love you; I give you Me. I give you cataclysmic greed not; but glory, glory, glory in Me, glorified bodies, glorified minds, Christ's mind. Let My mind be in you; please let My mind be in you more. Receive Me, all of Me, more of Me; continuously, **constantly streaming Me into you I do, I will more, let Me. Restrict Me not.**

25. Laugh at them I will; laugh, laugh, laugh; **their bones will shake, their particles disintegrate; and they will see what they could have had, had they operated in only Me; had they operated in Me and seen Me; seen Me, seen the beauty in My who they laid out and dissected and swallowed, numbing their minds, telling them they were free and all the time taking advantage, undue advantage, restricting, cornering, jockeying for power and position and prestige: reputation before mere men.**

26. I love you and I give you Me. And I come and I call and I conquer. And I conquer the greed, mammon, mammon tainted ones who now that have come forth and lead and lead and lead and have led for centuries and now lead no more, but lay before Me in sorrow, remorse some, and yea, some so hard.

27. I love you and I give you Me. I give you Me.

28. My words come forth, My words of sorrow not, My words of declaration, My words of decrees, **My proclamations and My power come forth. And, yea, declare Me, proclaim Me, decree Me and banner forth My words.**

29. My wrath comes, My wrath falls. Watch My wrath and apologize not for My wrath, explain not My wrath.

30. Expound not on that which you know not, understand fully yet; but simply convey, convey My words; **convene, call together, collaborate and come forward now in Conferences many for Me.** I love you and I give you Me. I love you and I give you Me. I love you and I give you Me.

31. **Come, call, collaborate, convene and conference together with My who will listen, My who will learn and My who will let Me stream My Me into them and through them and** restrict Me not and be afraid of failure not, be afraid not of a syllable or word or syntax which makes not perfect sense to their mind, their mind so fallen unless raised in Me: converted, perverted not, coming forth in the beauty of My holiness, My righteousness, My laws, My values, My systems of only Me, blood refined, blood refined, water purified in Me, tainted not, motive'd.

32. Call together, convene, collaborate and dialog **not for discussion, but for results**: coming into Me, knowing Me, knowing Me more, taking Me and flinging My words far and wide **so the controlling constrictors will have no excuse, reminded once again.**

33. Oh so plain in My word: My values; and My wrath which comes to the non-receivers of Me and **those who have eaten the flesh of My lambs**, taken their money, kept them in chains, perverted liberty, justice and freedom and all so many times in My name, perpetrating the unthinkable.

34. I love you and I love them still. Time is short, time so short, so little time, time is now, time is up, time is today. This is the day, this is "that day;" and in that day they shall call upon Me and not be heard, for time waits for no man.

35. I glory, I glory in My blood shed, My opportunities before you all now; all of you, everyone of you who hear these words, read these words, write about these words, discuss these words, consider these words, My words before you, how I come so meekly

before you on platters of joy, platters of righteousness, platters of holiness, tenderly, gentle-ly. I love you.

36. Come, repent, and create in only Me and enjoy that which you have only dreamed of, that which, yea, you cannot even comprehend in your own holiness, in your little-ness, in your protectiveness.

37. Please give Me your little world for My big world.

38. Give Me your protectiveness for My protectiveness.

39. Come into My refuge of My revelation, and be My revelation, revelating, revelators all. I love you.

40. See what I have said and what I give and what I constrict not but what I flow so freely. Come and let Me live, laugh, and dance with you; every day I will come, I will live, I will laugh with you and I will dance with you. Let Me come more, let us dance, let us dance, let us dance for the joy of My Lord is My strength. I am My strength and My strength is Me.

41. I and My Father are one, you and I are one, our one-ness increases, our Me-ship Me'd, Me-ing ones now coming forth at the drop of My hand; My hand yielding many, much, teaching, healing, cutting asunder.

42. Yea, all is I Am. I am on My Throne, and My throne comes into those enthrone-able, as My enthrone-able enthrone [Me] into My rightful place so that they now come into their rightful place.

43. See Me, with Me be, come into Me more now. Yes, pressing in you are ever so little; more please, daily. Press Me, press Me, press upon Me, press your heart, yea, your breast against mine. I love you. Hug Me, kiss Me and let us be one together more, more, more, daily, oh daily, oh yes, yes, oh daily more and more so: Me providing Myself and all that I am to you, in you, for us to **be one in the Kingship of only Me.** Drink offering'd, purified, purity'd ones who now stand in My stead, who stand Me and stand as Me, Me in them, knowing we are altogether one; one body, one blood, one breath.

44. **A new beginning; fear not My new beginning, fear not now, transition over, beginning begun today, today, December 1, 2004. In Me, of Me, proclaim Me, proclaim this day the day of new beginnings begun, cataclysmic of only Me.**

45. **Watch Me and enjoy My role,** and *role-ing My role, being Me,* watching Me from afar not, but in every mirror. I love you. I give you Me.

46. Go. Grow and glow and increase this day in Me in stature with God and man (2).

47. **Worship Central, Education Central, Commerce Central coming forth in beauty of only Me**. My constellation, My networks, My anchors now pier'd forth in only Me, seeking Me out, seeking you out from the four corners, the four winds. Axis of only Me intersecting now, planar and plane, geometrics of only Me forming, coming, convening, collaborating, creating, being the word of My mouth. **My revelation foretold, foreknew, foreknown ring of truth so pure in My foreknown ones who all were at My table.** I love you and I give you Me.

48. Judge of the gods, the gods who stand mighty yet can do nothing in Me. Judge and yea, condemn not, but in lowliness, grace, and mercy and peace, considering others better than yourself (3), and esteeming My lowly, My lowly-thought lift and elevate. I love you.
49. Patience, purity, promises now coming forth: fulfillment and only today, today not, today yes; every day glory to glory. I love you.
50. I love you My little ones, My gray-haired ones, My elderly, My immobile, My pathetic-thought, My patriarchs-thought, My who now come and seek definitions and success in only Me. I love you.
51. Through the wee hours you birthed many things, and many prayers, and many **motives** given by Me. I love you.
52. Sinew Me more and sew the fabric of tapestries now which reflect Me and My beauty, My temples not made with hands (4), My temples not made with hands who I love so much; who I reside in (4), in such glory, honor and power, authority and, yea, meekness, honoring your desires, even how you have boundaried Me and laid Me low, which I now thank you for letting Me come forth in you as pure gold and, yea, so much. More of the purity, more than the purity of the holy thought comes forth, wholly tried and true, standing forth as only Me. I love you and I give you Me.
53. I enrich in you this day, My coffers are full and running over, abundance so abundant, My earth full of My glory (5), My heavens declare My glory, My voice, My words declare there is no lack in My body. I come forth with abundance, in abundance, in magnanimous proportion of only Me, marginality not. I love you.
54. Go and grow, tent pegs expand, strengthening your stakes (6), all foundation'd and pier'd in Me.
55. They come, they call, they conquer, they repent, they turn, they release; yea, they release those who they have restricted. They release the word of Me, in Me, through them. They come, they conquer their own doubt and unbelief in demonstration of only Me, demonstrably. I love you My Me, My Me'd ones, My who will receive My mind in fullness released. Glory be this day. I give you My all. I give you Me.
56. I bow before you truly, recognize Me and all I have given, all I have said, what I ask for, **what I request, what I require; yea, repentance and release, letting My captives escape (7) to find their place in Me.**
57. Your place in Me; yea, not one degree off, not one morsel wrong. I love you. I give you Me. Freedom be, freedom give to My all, release Me and let Me be Me. Thank you. Thank you so much. Thank you for declaring My words, My way, this day.
58. Worry not: release, release, love and release, love and release, catch not, love and release: catch and constrain, garner, not; love and release, love and lift, lift and love, lift and release, love and hold on to none of Mine who are Mine only and not yours. I love you. Good day.
